**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance: The allowability of the claims resides, at least in part, that the closest prior art of record **Garric et al. (US 5,411,358)** does not disclose or suggest, alone or in combination the step of:

Regarding independent claims 1 and 18, **two or more containers can be stacked together in a fixed relationship to one another, and wherein each mask container has an electronic tracking device, the tracking device having a receiver unit for receiving lithography data, a memory for storing the lithography data, a processor unit for reading or writing the lithography data to or from the memory, and a transmitter unit,** in combination with the other elements and features of the claimed invention.

Regarding independent claim 10, 15 **each lithography bay has a transmitter unit and a receiver unit for respectively transmitting and receiving lithography data, and each mask container has an electronic tracking device having a receiver unit for receiving lithography data from a lithography bay, a memory for storing the lithography data, a processor unit for reading or writing the lithography data to or from the memory, and a transmitter unit for transmitting the lithography data read from the memory to the same lithography bay or another lithography bay,** in combination with the other elements and features of the claimed invention.

Art Unit: 2125

As for independent claim 19, **each container having a tracking device for transmitting and receiving data corresponding to the mask within the container, and receiving lithography data from a plurality of mask containers, selecting two or more containers on the basis of the received lithography data**, in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
